

## REFERENCE ONLY, DO NOT SUBMIT THIS FORM

Please note this form will be updated in August 2018 for the Class of 2019. This is a preview of information required. AIMBE will not accept nominations until August 2018. All nominations will be required to be submitted online.

**Nominator's Full Name and Designation (Your Name):** \_\_\_\_\_

**Nominator's Organization/Institution (Yours):** \_\_\_\_\_

**Nominator's Email Address (Your Email):** \_\_\_\_\_

**Nominator's Phone Number (Your Phone Number):** \_\_\_\_\_

### Candidate's Biographical Information

**Candidate's Full Name & Designation(s) – REQUIRED:**

\_\_\_\_\_ ex. John Doe, MD, Ph.D.

**Candidate's Full Title:**

\_\_\_\_\_ ex. Professor of ....

**Candidate's Department/Division:**

\_\_\_\_\_

**Candidate's Organization/Institution – REQUIRED:**

---

**250 Word Summary – REQUIRED: Please do not write more than 250 words.**

*In 250 words or less, explain the outstanding accomplishments and contributions that support election to the AIMBE College of Fellows. Please include any seminal medical and biological engineering public policy, educational, clinical practice, or industrial contributions achieved by the nominee. To be read by the review committee and, if candidate advances, printed on the general election ballot.*

**Twenty Word Citation - REQUIRED**

*In twenty words or less, please write a proposed citation that reflects the documented contributions (e.g., "For outstanding contributions to...") To be printed in the Annual Event program and candidate's diploma if is elected.*

**250 Word Summary - Advocacy**

In 250 words or less, explain any contributions to diversity or public policy advocacy made by the candidate. In light of AIMBE's mission, candidates will be given special consideration for contributions to public policy advocacy and/or contributions to diversity within the field. Please describe efforts to advance these initiatives: i.e, in the case of public policy note as any past meetings with a lawmaker, regular attendance at town hall events, letters to the editor or involvement in other advocacy organizations. Please do not write more than 250 words.

## Review Subcommittees

Nominations will be divided and reviewed by subcommittees which consist of current Fellows who are experts in each discipline to ensure only the most accomplished candidates are placed on the general election ballot. Identify the best subcommittee for each individual to be reviewed. Optionally, you may select a second subcommittee. If the candidate field of discipline does not fit into any current subcommittee, please select "Other" and recommend a discipline area for review.

### **First Subcommittee Choice for the Candidate – REQUIRED, Choose One: \_\_\_\_\_**

1. Bioinformatics
2. Biomanufacturing/Biofabrication/Regeneration
3. Biomaterials Applications
4. Biomaterials Fundamentals
5. Biomechanics of Cell and Tissue
6. Cellular and Tissue Engineering
7. Imaging
8. Industrial Practice
9. Medical Device and Instrumentation
10. Molecular and Biological Engineering
11. Neuroengineering

### **Second Subcommittee Choice for the Candidate - Optional, Choose One: \_\_\_\_\_**

1. Bioinformatics
2. Biomanufacturing/Biofabrication/Regeneration
3. Biomaterials Applications
4. Biomaterials Fundamentals
5. Biomechanics of Cell and Tissue
6. Cellular and Tissue Engineering
7. Imaging
8. Industrial Practice
9. Medical Device and Instrumentation
10. Molecular and Biological Engineering
11. Neuroengineering

If other, please write here: \_\_\_\_\_

## Candidate Contact Information- REQUIRED

*Please insert accurate information so we may contact your candidate if elected.*

**Street Address:** \_\_\_\_\_

**City:** \_\_\_\_\_

**State:** \_\_\_\_\_

**Zip Code:** \_\_\_\_\_

**Country:** \_\_\_\_\_

**Candidate's Email Address:** \_\_\_\_\_

**Candidate's Phone Number:** \_\_\_\_\_

Please send an email to [election@aimbe.org](mailto:election@aimbe.org) with an attachment of the candidate's curriculum vitae or resume. - REQUIRED
